Celebrate the Rotary year

The RI Convention is not only an opportunity to celebrate a successful Rotary year; it's a chance to learn strategies that will help you become more effective in your Rotary service. From inspirational plenary sessions to informative workshops to the House of Friendship, Rotary's annual international meeting offers unparalleled networking and fellowship opportunities: Learn about innovative humanitarian service projects. Develop strategic partnerships with other clubs and districts. Build lifelong friendships with Rotarians from around the world.

Rolling on the river

New Orleans, Louisiana, is a perfect setting for the fellowship and fun that is at the heart of a Rotary convention. New Orleans offers a unique blend of sights and sounds, with traces of Spanish, French, and African influences, seasoned to perfection like a hearty jambalaya. New Orleans' music and art communities continue to flourish with constant innovation and improvisation. It's a city with soul, a place with a dynamic and inherently creative culture. There's never been a better time to visit New Orleans. Five years after Hurricane Katrina, the city is back with more hotels and restaurants than ever before.

This vibrant community is a living testament to the spirit of overcoming adversity — and celebrating the good times along the way. Admire the lacy ironwork balconies as you stroll through the French Quarter. Take a leisurely cruise on the Steamboat Natchez. Enjoy an impromptu street performance in Jackson Square with the St. Louis Cathedral for a backdrop. Climb aboard the historic St. Charles Streetcar to view antebellum homes in the lovely Garden District. Discover the many art museums and galleries now housed in the old Warehouse District.

Above all, enjoy yourself — and let the good times roll.

Joke of the Week:

Returning home from work, a blonde was shocked to find her house ransacked and burglarized. She telephoned the police at once and reported the crime. The police dispatcher broadcast the call on the radio, and a K-9 unit, patrolling nearby, was the first to respond.

As the K-9 officer approached the house with his dog on a leash, the blonde ran out on the porch, shuddered at the sight of the cop and his dog, then sat down on the steps. Putting her face in her hands, she moaned, 'I come home to find all my possessions stolen. I call the police for help, and what do they do? They send me a BLIND policeman!'
