PROGRAM

FELLOWSHIP - TEN PIN BOWLING

We all had a great time practising our 'gully runs' with the occasional strike to encourage us. President Richard Pottie led the way with some good bowling.

DID YOU KNOW? CURRENT YOUTH EXCHANGE STUDENT

Courtney Smith, the club's outbound exchange student currently in Belgium sent a number of postcards which arrived recently. One is dated about a month after her arrival – interestingly on a significant Rotary date – 23 February.

She is really enjoying her year overseas and has been visiting many interesting places. During these holidays, she will be in Italy with her host family.

Courtney also receives the club's bulletin each week and keeps up to date with club news. She is greatly appreciative of club efforts to have provided her the opportunity to be on exchange.

---/---

Past President Jim Tweddle continues to receive the club's bulletin each week and sends his warm regards to one and all. Known for his infamous 'genie' jokes, Jim ,once again 'threatened' to contribute a joke so that longer serving members could 'trip down memory lane'. As he didn't, a genie joke has been sourced just for ol' time sake.

A guy was in a cave, looking for treasure. He found an old lamp, rubbed it, and a genie came out. The genie said "I will grant you three wishes, but your ex-wife will get double." The man agreed, and said "I wish I had a mansion." The genie granted it, and his ex-wife got two mansions. The man said "I would like a million dollars." The genie again granted it and his ex-wife got two million dollars. Then the man said, "Scare me half to death."
