## Meeting 24<sup>th</sup> June, 2015

**Dave Conway and Nav Suppiah – from Edge Employment**

This week we heard from Nav Suppiah (with Dave Conway along to assist with questions) from Edge Employment. There are two offices operating, one in Subiaco and the other in Joondalup with a third in the pipeline in Cockburn.

Edge is a Not for Profit, funded by the Federal Government and was started in 1984 to assist people with disabilities to gain employment. No disabilities are disregarded for employment, physical or emotional. The disability is disclosed to the employer so that the disability can be worked with to bring the best employment outcome.

Only 7% of employers know about Edge and just 7% of those people use them for employment. There are great benefits for the employees and employers. Job support

comes from 57% of large corporations; 17% public sector and 26% small and medium businesses. A few of the many benefits to businesses are:

- Less absenteeism
- Better safety records
- Longer tenure
- Comparable productivity
- Excellent motivation, dedication and loyalty
- No greater impact on insurances and premiums, supervision and training
- Improved corporate image and workplace morale.

The eligibility for assistance from Edge is from aged 14 to 65 and people do not need to be in disability support to be eligible. There are Government incentives for employees such as wage subsidies.

Edge has:

- Secured more than 6,000 jobs for 2,500 people with disability since 1984
- 50% of all jobs secured are through repeat business
- Currently supporting more than 50 people with disabilities in apprenticeships and traineeships
- Support both employers and employees to bring about successful outcomes.

An extremely interesting subject, the services of which are little known.

Welcomed to the meeting were Paul Khoo, his daughter Daniella and nephew Jerome, Vince La Rosa, Liz Terracini and Nelson Cruz.

## Thanks to VP Mike O'Hara

VP Mike O'Hara has stood in for Pres. Rajah Senathirajah for the past month, as Rajah has been travelling to the RI Convention in Sao Paulo after which he and Jes have spent time visiting family in the USA. Always a great job Mike, tremendous to have you back in the chair and thank you for so capably filling in.

## Paul Khoo

Standing next to the Microscopes banner Paul & Daniella Khoo and Jerome.

It was wonderful for Paul Khoo, the man who supplies the microscopes to us for our Microscopes in Schools project, to attend our meeting this week, along with his adorable 5 year old daughter Daniella and nephew Jerome. Paul is in Perth for just one week and he took time out of that week to meet with PRID Ken and Sec Di last Monday morning, plus came along to Wednesday's meeting.

Paul has assisted the RCFB to achieve what we have with the microscopes. He has made it possible for the Rotary logo to be printed on every unit, for the paperwork in the boxes to reflect the Rotary emblem and 'Initiative of the Rotary Club of Freshwater Bay' and finally, with the last shipment, to have this put on the barrel of the microscope so that Rotary's presence constantly remains in front of all students using the units. He has also provided hundreds of globes and 'tools' for changing the globes at no cost, worked with us to find a solution to the blowing globes, provided bonus units and replacements for faulty ones. Along with this, he has encouraged us and supported the project offering helpful suggestions at all times. Even now, he is working out ways in which the strong US and poor Australian dollar can be overcome to prevent the

increase in the cost of the microscopes. A huge thank you Paul, for your invaluable support and assistance. It is sincerely appreciated.

## Next Meeting – No Meeting next Wednesday – Saturday 4<sup>th</sup> July.

The next meeting of the RCFB will be the Changeover Dinner at the Crowne Plaza Perth on Saturday, 4<sup>th</sup> July. This replaces the meeting of Wednesday, 1<sup>st</sup> July, so please do not come to Moerlina next Wednesday.

There are 60 attendees registered for the Changeover Dinner. 30 of these are members and the other 30 are visitors and guests. Should be an excellent event where we celebrate the achievements of the 2014-15 Rotary year under the Presidency of Rajah Senathirajah when we '*Lit up Rotary*', and welcome in the 2015-16 President Rodger Kohn and Board who will '*Be a Gift to the World*'.

## Dates and Times for Upcoming Meetings

**Community/Voc. Committee** – Monday 6<sup>th</sup> July, 6.00 pm, McCusker Building, behind Hollywood Private Hospital, Entrance 5, Monash Ave, Nedlands.

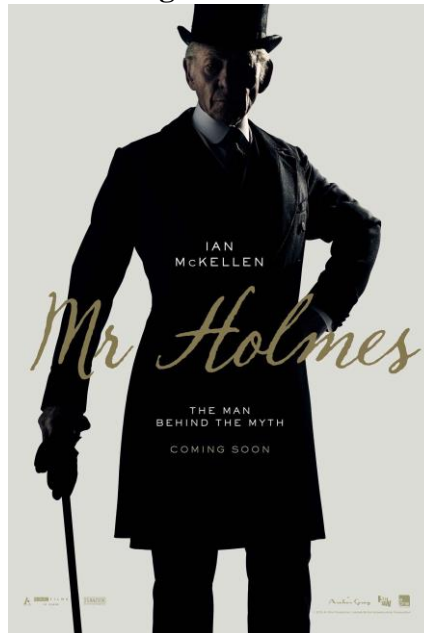

**Club Service Committee** – Wednesday 8<sup>th</sup> July, 7.00 pm at Moerlina.

**Board Meeting** – Tuesday 21<sup>st</sup> July, 6.00 pm, Collins', 1 New Court Green, Mt Claremont

**International Service Committee** – TBA

**Youth Service Committee** – Wednesday 15<sup>th</sup> July, 7.00 pm, Moerlina.

## Fundraising Movie

Incoming Director of PR / Fundraising, Anne-Sophie, has organised a Fundraising Movie night. Please put the date in your diary and start spreading the word to friends and family as the more people we can have in attendance, the greater the profit that will come back to the club for its projects. Anne-Sophie reported at

Wednesday's meeting that the movie looks extremely interesting and is centred on Sherlock Holmes as a 94 year old, with one mystery left to be solved. Stars Ian McKeller as Mr. Holmes.

**Details:****Movie:** "Mr Holmes"**Venue:** Windsor Theatre, Stirling Hwy, Nedlands**Date:** Friday, 31<sup>st</sup> July, 2015**Cost:** \$20.00 per ticket which includes cheese and biscuits. Drinks can be purchased from the bar.**Tickets:** <http://www.trybooking.com/HXEW> Tickets are available for members to sell directly to friends /family / colleagues.

Also seeking raffle prizes. If you dine at a restaurant regularly or know people with businesses who have merchandise suitable for a raffle, please see if you can obtain a voucher or prize from these sources for a raffle on the night. Sincere thanks goes to Tony Morgan from IGA Captain Stirling who has kindly agreed to sponsor the cheese and biscuits for the event.

A flyer and tickets have been designed by Nikhil Ramanathan. Grateful thanks Nikhil.

**Membership & RI Dues**

Members are advised that Tr. PRID Ken Collins will be sending out invoices for membership dues on 1<sup>st</sup> July as dues are due and payable by 31<sup>st</sup> July. Dues are \$300 per member and if there is a second member of the household as a member, the second member is \$260. This \$40 reduction is because only one official Rotary Magazine is required per household.

Brooke Nolan, who has returned to Berlin for an indefinite period, has decided to suspend her membership until she returns.

As per information in last week's bulletin, Jen Martins and a Rotarian transferring from another Club will be welcomed into the RCFB at Changeover on 4<sup>th</sup> July. Delighted to advise that Nelson Cruz will be officially 'Inducted' into the Club that night also. Nelson holds the classification of Systems Engineer and his email address is [nelson.cruz@gmail.com](mailto:nelson.cruz@gmail.com)

To the three 'Active' members being added to our membership, former member Graeme Prior will be acknowledged as an 'Honorary Member'.

There are two forms of membership in Rotary 'Active' and 'Honorary'.

**RC Freshwater Bay Charity Fund Inc.**

To complete the requirements for the current Rotary Year, the \$5.00 from all new members inducted since the last payment was made from the Rotary club of Freshwater Bay Inc. to the Rotary Club of Freshwater Bay Charity Fund Inc. has been made. Paperwork has been squared away, and a cheque has been given to Charity Fund Treasurer Max Hipkins for banking into the Operating account of the Charity Fund.

**End of the Rotary Year**

With the close of the Rotary year, Tr. PRID Ken is ensuring all payments are made for Rotary supplies, badges and all other expenditures in readiness to prepare the various Club accounts for the Hon. Auditor, PP Jeff Trudgian from the Rotary Club of Hillarys. The RCFB is indebted to Jeff for kindly looking after this necessary requirement for the Club.

**Updated Membership List**

Sec. Di is updating the Membership list to reflect the members who will not be continuing in the 2015-16 Rotary year and those who are joining the Club. It will be distributed as soon as it is as accurate as is possible.

**Annual Report**

Dir. Stephanie has the individual reports on all Committees along with photographs for formatting for the Annual Report. Once formatted in 'Word' it will go back to Sec. Di for a final check over as small things continue to occur and require final updates, then back to Dir. Steph for transferring to PDF and printing in time for the Changeover Function next weekend.

**Website**

Nelson Cruz is continuing to work on updating the Club website. It's a huge job and one we're most grateful that you have taken on and thank you for the time and expertise put into the task. Looking forward with eager anticipation to the end product.

**Members sought for positons**

Still seeking a member to volunteer to take on the following vital tasks in the Club.

1. **Sports Exchange Chairman** – It's vital that a committed member with the passion and time to make this project the success it can be, volunteer to fill the role.
2. **Weekly Speaker's** – VP Mike O'Hara has done a marvellous job with this, however, will not be continuing with it. A Program Chair is required. A relatively simple job that can be done at home at leisure. The Program Chair does not have to find weekly speakers as they mainly come via Sec. Di, our own members and projects/programs the club is involved with, purely organise the weekly program, maintain the Club Calendar and send a note of thanks to the speakers after the meeting.

**Sports Exchange**

The Sports Exchange is still in a state of flux, with Perette kindly liaising with Mt Claremont PS re the club's requirements in moving over to the higher

visibility location of the Mt Claremont Farmer's Markets. Requirements are a classroom or place to store all our items plus permission to put our banner on the fence and to locate our collection bins in the school grounds.

Sec Di has spoken with Charmaine Cave from Cave Design to advise her that a change in location will be occurring and asked if she would update the artwork for the flyers and posters once the new arrangements are in place, which she has agreed to do.

### **Article in RDU Magazine on "Old Guard Eliciting Change"**

PRID Ken's article in the June RDU Magazine, "Old Guard Eliciting Change" has drawn interest and enquiries from Rotarians in both New Zealand and Melbourne.

With Rotary membership declining at a frightening rate, it needs drastic measures to turn the tide. In Australia, membership has dropped from 40,000 in 1995 to 31,000 in 2015. A loss of almost 25%. The figures in WA are more dramatic with 1995 there being 4,000 members in the State, this dropped to 3,000 in 2005 and falling still further to 2,500 in 2015.

The RC Freshwater Bay has turned this trend around, growing in membership of all ages, from 20s to 70s, (9 in their 20s), 14 different nationalities with more female members than males.

Also written up in the RDU June edition was the RC Crawley, who loosely set themselves up on changes made by the RCFB. However, they are obtaining 'two year scholarships for students' and rapidly raced up to 109 members. With a passage of time, this significant figure has slid back to in the 70s as it would appear that once the 'two year scholarship' is up the students pass on out the other side of the club. Hence the membership is not sustained and the students do not remain members of the club.

### **Update on all Avenues of Service projects**

With it being the end of the Rotary year, whilst there is a substantial amount happening for the secretary in Club Service, the other committees of Community/Vocational, International and Youth are minimal as one Rotary year is concluding and the new year is about to take off. There are a few updates on projects as per below.

### **Awards to Students**

As reported in the last bulletin, two students have been identified by Di Wilcox to receive Seedling Citizenship Awards at Aubin Grove PS, however, a date and time is still to be advised.

A 'Caring Award' will be presented to Oscar Willis at Churchlands PS on Friday morning 26<sup>th</sup> June. His Citation reads:

*"Oscar behaves maturely and responsibly at all times, is a wonderful example to other students, ensuring that all children play fairly and all get turns of the ball, assists children who get hurt and ensures correct behaviour is displayed, at all times, speaking to students in a kind and caring manner.*

*Oscar is helpful to both his peers and teachers, wherever the need might be in the classroom. He models excellent manners, fabulous sportsmanship, acts as a peer tutor and treats all students in a patient and caring way."*

What a worthy recipient of this recognition. Wouldn't the world be a wonderful place if it were full of 'Oscars'!

### **Interact**

Heading towards the end of term, the Interactors are still planning their movie night for this coming weekend, and have a few other activities on the horizon.

### **Microscopes to Serpentine Jarrahdale Grammar School**

*"Serpentine Jarrahdale Grammar School were presented 30 microscope at their Junior assembly. Thanks to Katie Parkins, the Science Coordinator whose drive and initiative created the opportunity.*

*The Rotary Club of Byford and Districts is pleased to continue to roll out these science based tools to all of the schools in our district.*

*The Rotary WA Magnifying Microscope Project is an initiative of the former Chief Scientist of WA Professor Lyn Beazley, the Science Teachers Association of WA and is coordinated by the RC Freshwater Bay."*

**Pictured are President Elect Tom Hoyer, Senior Student Jake Cook with the microscopes and Katie Parkins.**

## Update on Microscopes

A little activity has occurred, although not much movement occurring with the Changeovers occurring. A total list of where we are at is:

- RC Attadale – Attadale PS 30 units– awaiting payment and collection
- RC Ballajura- Malaga – Mary MacKillop (60 ) – awaiting payment and collection
- RC Bunbury – Dalyallup College (30 )– paid awaiting collection
- RC Carnarvon, requested Exmouth DHS (30) –
- Geraldton Clubs – Requested Dongara DHS (30), Mingenew PS (26) and Waggrakine PS (30). Asked if 3 Clubs would consider sponsoring 12 schools (4 each) in the Geraldton Network.
- RC Kalamunda – requested Kalamunda PS (30) and Kalamunda Ed. Support Centre (30).
- RC Kalgoorlie – requested Norseman DHS (25)
- RC MacKay Qld – invoiced 20 units for 2 x Solomon Island Schools. A further 10 units donated by RCFB for a 3<sup>rd</sup> school in Solomon Islands
- RC Mindarie – invoiced 33 units Yanchep DHS; requested Lancelin PS (26) – yet to be agreed.
- RC Northam – requested Avondale Ed. Support (30)
- RC Quairading – paid for 32 units for Quairading DHS – to collect
- RC Swan Districts – to be requested to sponsor Bindoon PS (?)
- RC Scarborough – requested remainder of Inland Lighthouse N’work – Miling PS (20), Cadoux PS(20), Dalwallinu DHS (30), Trayning PS (25) and Dowerin DHS (28). A total of 123 units.
- RC Welshpool – paid and taken delivery of 100 units – (70) Wattle Grove PS & Heritage College (30)

The RC Margaret River is considering sponsoring 5 schools and has purchased a unit to use to show local schools.

## Youth Committee

Would members of the Youth Committee please advise Acting Director of Youth (2015-16) CP Di of the schools / projects each member would like to oversee in the coming year. Projects allocated thus far:

- Interact – Kathleen and Liz
- NYSF – National Youth Science Forum – Liz
- Rotary WA Driver Education – Anne
- Microscopes – Di

Projects requiring an ‘overseer’:

- RYPEN (Rotary Youth Program of Enrichment)
- RYLA – Rotary Youth Leadership Awards
- RYLEAP – RYLA Leadership Extension Alumni Program
- Camp Opportunity
- ConocoPhillips Science Experience
- Science and Engineering Challenge
- Four Way Test Speech Contest
- Rotaract

For RYPEN, ConocoPhillips, Four Way Test Speech Contest and Science and Engineering (which is not off and running in the District as yet), the main involvement is with liaising with the Colleges (MLC, PLC, CCGS and Scotch College) to promote the projects and seek applicants. With perhaps a dinner to attend during the RYPEN camp.

For RYLEAP it is a matter of communicating with previous attendees of RYLA to see if they are interested in participating. For RYLA (18-25) and Camp Opportunity (18-35) is a matter of sourcing applicants from workplaces, Universities, Rotarian’s contacts and families and perhaps Edge Employment for Camp Opportunity ‘Campers’. Again there is usually a dinner held during RYLA and Camp Opportunity to which a Rotarian is encouraged to attend.

Rotaract is still meeting informally at this time.

Would members of the Youth Committee please advise Di of the projects they wish to ‘oversee’ as soon as possible please.

## Rotary releases US\$40.3 Million to End Polio worldwide

The continued fight to stamp out polio will receive an additional \$40.3 million boost from Rotary in support of immunization activities and research to be carried out by the Global Polio Eradication Initiative.

The funds will be used by the World Health Organization (WHO) and UNICEF for polio immunization, surveillance and research activities in ten

countries, as well as to provide technical assistance to additional countries in Africa.

The funding commitment comes at a critical time as Nigeria – the last polio-endemic country in Africa – approaches one-year since its last case of polio, which occurred in Kano State on 24 July, 2014. If the current progress continues, WHO may remove Nigeria from the list of polio-endemic countries as early as September. In addition to the notable progress in Nigeria, no new cases of polio have been reported anywhere in Africa since August 2014. Experts do, however, strongly caution that it is too soon to fully celebrate. Nigeria needs to go an additional two years without polio to be certified polio-free.

Funding and support for high-quality immunization campaigns and surveillance activities will be key to sustaining current gains. The only two other polio-endemic countries, Pakistan and Afghanistan, continue to experience hurdles in polio eradication campaigns including inaccessibility to children and security. Last year, Pakistan saw an outbreak which resulted in more than 300 cases, the highest number in the country in more than a decade. As a result, Pakistan accounted for almost 90% of the world's cases. However, there has been improvement in 2015. Cases are down nearly 70% over this same time in 2014.

Progress against polio, while significant, remains fragile. Rotary's funds will support immunization efforts in: \$9.9 million in Nigeria; \$12.2 million in Pakistan and \$2.3 million in Afghanistan. Additional funds will support efforts to keep other at-risk countries polio-free. The grants include \$1 million, Cameroon: \$900,000, Chad; \$2 million, Democratic Republic of Congo; \$1.1 million, Ethiopia; \$1 million, Niger; \$1.5 million, Somalia; and \$1.5, South Sudan. In addition, grants totalling \$5.8 million will provide surveillance in African and Eastern Mediterranean regions. Grants to Africa alone total \$19 million. In total, Rotary has donated \$688.5 million to support polio eradication efforts in Africa over the past thirty years.

### June is Fellowship Month

Lists of Rotary Fellowships have been in three previous issues of New Horizons. Following is the final list from which members may find an interest they would like to join. See [www.rotary.org/fellowships](http://www.rotary.org/fellowships)

- Photographers
- Police and Law Enforcement
- Pre-Columbian Civilisations
- Quilters and Fibre Artists
- Railroads
- Recreational Vehicles
- Rotary Global History

- Rotary Heritage and History
- Rotary Means Business
- Scouting
- Scuba Diving
- Skiing
- Total Quality Management

### ~ DUETS: Crossing Over Concert ~

A great line up of outstanding professionals have been engaged to perform a solo and then to perform with a young person involved with the same genre. Petrina reported that it was extremely difficult to select the 10 successful young performers out of the 100 who auditioned. An exceptionally high standard and it will be an outstanding concert.

**Performance: Sunday, 19th July 2015 ~ 2pm**

**Part proceeds go to Lifeline!**

**Venue is the Rowing Club on the river in South Perth.**

**Tickets are \$30 Adults, \$25 Concession and \$15.00 students.**

**Tickets: <http://www.trybooking.com/134959>**

Light refreshments will be provided.

***Petrina is seeking assistance from members of the RCFB in two capacities.***

- Assistance with ticket sales.
- Help on the day with ushers, in the kitchen preparing light refreshments, serving and cleaning away.

**Petrina has asked all members to help with the promotion and sale of tickets for this concert. With just a few weeks to go she is becoming anxious about ticket sales. Also, please advise Petrina of your availability to help out on the day.**

### Creative Seeds - Moerlina

Explore, Create, Grow.

An 8 week **Arts Taster** course at Moerlina PS is an opportunity to open up your creative potential in a supportive and friendly environment.

Artistic areas covered include visual arts, singing, pottery, painting, music, writing and drama, fabric and fashion and drawing.

Creative expression is a key element in the approach to learning at Moerlina School where **Creative Seeds** take place. Expressing feelings, using all our senses and developing our imaginations help us stay healthy and engaged with our environment...and it's fun!

Bookings for **Arts Taster** email [creativeseeds@moerlina.wa.edu.au](mailto:creativeseeds@moerlina.wa.edu.au) for a form or phone Moerlina 9384 5894

## A small window into the International world of Rotary

Two of Rotary International's Presidents Cliff Dochterman 1992-93 and Frank Devlyn 2000-2001

I came across these photos recently and decided to take members into a small window of Rotary International, a world shared by Ken and me for many years.

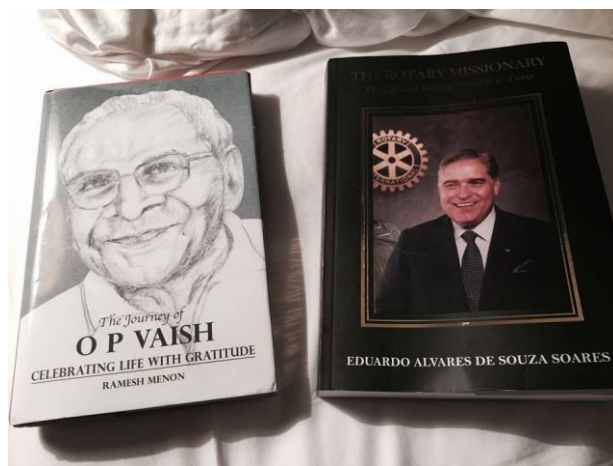

PRIP Cliff Dochterman is seen above in his office in his home in Morago, California with PRIP Frank Devlyn from Mexico.

Our first real personal contact with Cliff (a wonderful speech maker – speeches made into a book, which I have quoted from often plus he wrote the ABCs of Rotary) was in December of 1991, when we were in his office at Rotary Headquarters when he was incoming RI President. With his usual wicked sense of humour he was sorting through cards with his Secretary Anne, and said to Ken that they were organising RI Committees for his year as President and deciding who'd been 'naughty or nice'. Ken wondered as he left the office if he'd been 'naughty or nice'. As he was given three very large jobs on RI Taskforces we guess he'd been very nice!

As **President, Cliff's Theme** was "Real Happiness is Helping Others" and there is nothing truer. Cliff's sense of humour was such that when in a lift he spoke to a man wearing a Rotary pin. The Rotarian said he was the President of a Rotary Club. Cliff said he was a President too, but neglected to expand the statement to 'of the whole Rotary world'. We served on the Rotary Foundation Trustees with Cliff and PRIP Frank for several years.

Frank Devlyn we've known prior to his first visit to Perth in 1985. Ken served on many committees with Frank over the years and then ended up on his Board when Frank was RI President, having served on the nominating Committee to select Frank as President. **Frank's Theme** was 'Create Awareness, Take Action' and he had so much emphasis during his year as President we wondered if he'd achieve anything. He

achieved significantly with his major emphasis avoidable blindness.

Two books recently released on two more dear friends who have passed on.

OP Vaish, from Delhi India, a friend for so long, and whom we served with for both years on the RI Board.

**Paulo Costa** from Brazil served as RI President 1990-91 and had as his **Theme Honour Rotary with Faith and Enthusiasm**. As President, Paulo decided to Honour Rotarians who had Honoured Rotary and it was when he was President that PRID Ken (then PDG) was selected as the most Exemplary Rotarian in the entire World and the most Exemplary Rotarian in the (then) ANZO Region. Until his untimely death post elective surgery, in his booming voice he would put his arm around Ken's shoulder and point at him and say to me or whoever may have been around "Number one Rotarian in the world!" We spent some of our years on the Rotary Foundation Trustees with Paulo plus shared a Coup in the Philippines.

Books are available for purchase.

### Final Bulletin from CP Di

This is the final bulletin from me as Bulletin Ed. I've largely done the bulletin since the RCFB was Chartered. PE Rodger Kohn is taking it over with the assistance of Perette, who will be formatting it for Rodger.

Please supply Rodger with information as he can only include information he is knowledgeable about.

### Upcoming Birthdays

First birthday for July is Anne Passmore on 1<sup>st</sup>, followed by two of our Honorary members, Lyn Beazley on 3<sup>rd</sup> and PP Simone Collins on 7<sup>th</sup>. It would appear that July is the birthday month for more than 50% of our Honorary Members as Colin Barnett also has a birthday early in the month and Ralph Martins celebrates his on 21<sup>st</sup>. A very Happy Day is wished to each of you.

## Program for July 2015

Date	Program	Attendance	Introduction and Thanks
4 <sup>th</sup> July (No Meeting 1/7)	Changeover Dinner – Crowne Plaza Perth, 54 Terrace Rd, East Perth.	7.00pm	MC Chrissie Jordan
6 <sup>th</sup> July	Community/Voc Committee Meeting, Hollywood PH, McCusker Build. Entrance 5 Monash Ave	6.00pm	
8 <sup>th</sup> July	Rebecca Prince-Ruiz – Plastic Free July	Petrina Bishop	Anne Passmore
8 <sup>th</sup> July	Club Service Committee Meeting - Moerlina	7.00pm	
15 <sup>th</sup> July	Liz Prescott - Ausum	Ian Passmore	PRID Ken Collins
15 <sup>th</sup> July	Youth Service Committee Meeting - Moerlina	7.00pm	
19 <sup>th</sup> July	Duets Crossing Over Concert – Rowing Club, Mt Pleasant	2.00pm	
22 <sup>nd</sup> July	TBA	Kathleen Elliott	Jeremy Foster
