"SHOP IN THE SHIRE"

Several banners will be made and they will be 800mm wide by 2 metres long and will be fixed to the light fittings in the main street of Coolamon. The banners will be up by spring. Ian said that the meeting was enthusiastic and looked forward to getting the project under way.

The committee is looking to get some funding for the campaign. They also discussed shopping discount vouchers at \$10 each to be presented to those businesses who will take part. This voucher will entitle the bearer to a 20% discount at the participating outlets.

- 4 million, Cambodians are some of the poorest people in one of the poorest countries in Asia. With little access to money, food, education and healthcare (Ave wage is \$4.30/day, Chumkriel district average is \$1.40/day)
- There is a vacuum of resources we take for granted, such as education and learning resources, access to income from the natural and economic environment, along with a history of knowledge, both traditional and contemporary.
