This Week's Meeting

Chris Blake – Country Hope

Our guest speaker this week will be **Chris Blake** from **Country Hope**.

Chris is the Regional Manager for Country Hope. Chris lives in Tumbarumba and has previously held a number of important positions in Wagga and the region including working on Tumba Shire and Riverina Woolcombing. He has had an interest in sporting pursuits including squash, soccer and reporting for 2WG.

Last Week's Meeting

Visitors to the club last week included the regular Trevor Webb from Koorungal and Andre Van Mosseveld and Amanda Tilyard. Amanda also brought along Jill from her workplace to see if she would like to attend RYLA.

Gary Roberts gave a short run down on the progress of the RYLA Committee who are progressing very well with the putting together of a great program for the RYLA week in April. Nominations have started to come in – about the 30 mark at the moment.

Trevor Webb then gave a rundown of the Science and Engineering Challenge that was held Tuesday 12th March. It was well attended by both the local Rotary Club's (Volunteers) and the High Schools (Participants). A first for the day was a small group of students coming in from Gundagai High School, and they have already acknowledged that they will attend again next year with a full team.

Meeting 11/3/13

On Monday 11 March a group of 11 members attended South Wagga Meeting where there was a presentation on the Science & Engineering Challenge by the University. An enjoyable evening was had and we learnt a little about what was expected on the following day when the Challenge was held.
