Last week's meeting

Naomi Maxwell gave us a great presentation on the benefits of RYLA. Naomi is from Griffith and studies at CSU. Like most of our other participants she has grown immeasurably due to her time at RYLA. Previously she lacked confidence and was very hesitant to get up and talk in front of a crowd. Her presentation on Tuesday night proved that RYLA has helped her with public speaking. Another great RYLA success story

The site location and best parking is marked on the attached map.

Landcare are putting on a BBQ for the hard workers at the end of the job.

Landcare need confirmed numbers for catering purposes, so I will be taking numbers at tonight's meeting or please send me a RSVP email.

Thanks

Catherine Conroy

New Member Induction

Last Tuesday night saw the club induct another member who attended RYLA. This time Luke Weston has joined us. Luke is originally from Leeton but is working in Wagga at the moment in the family business, Weston and Weston Refrigeration. (Some of you might recognise the name, Luke's uncle, George Weston from Leeton was the "dance instructor/fridge mechanic" we took to Vanuatu for a RAWCS trip a few years ago.

This Sunday 2 June 2013, we are starting a new project where you can do a little bit for the local environment by doing weed removal. It can make a change from BBQ's. As this is the first working bee, in getting this project up and running, please consider giving up a couple of hours in the sunshine (hopefully) .

WHEN: SUNDAY 2 JUNE 2012 at 10AM-12MIDDAY

WHERE: CHARLES STURT UNIVERSITY, ESTELLA (see attached map) and we will meet at car park 20. If the attached map is too small, there is a map board at the entrance to the university.

WHAT TO BRING: WEAR GOOD ENCLOSED FOOTWEAR, THICK GLOVES, SUNSCREEN, WATER, HAT (Hopefully no beanies are required)
