## Message from John Hewko

This past year was one of major accomplishments for Rotary and your Rotary Foundation.

Extraordinary progress was made toward the eradication of polio. We made history when India was removed from the list of polio-endemic countries — leaving just Afghanistan, Nigeria, and Pakistan. A difficult road lies ahead, but thanks to the commitment and generosity of Rotarians and friends, we are confident that Rotary will lead the way toward a polio-free world.

We also expanded Rotary's reach in new and effective ways by entering into partnerships with Mercy Ships and UNESCO-IHE. And we built on our record of humanitarian service by continuing our strong relationships with the Bill & Melinda Gates Foundation, USAID, Aga Khan University, Oikocredit and the Rotary Peace Centers.

Over half a million young people worldwide participated in our New Generations programs. Their involvement in Rotary Youth Exchange, Rotaract and Interact clubs, and RYLA events helped them develop skills that they'll need to become service-minded community and global leaders - and future Rotarians.

In 2012, The Rotary Foundation also earned top marks from several independent charity evaluators, including the American Institute of Philanthropy, Charity Navigator and the Wise Giving Alliance.

As we look ahead, we can be proud of all that Rotarians have accomplished. I am pleased to share the digital version of the *2011-12 Rotary International and Rotary Foundation Annual Report* ([click here](#)), which offers a firsthand look at how Rotarians are working to improve the lives of people in need. I encourage you to review our annual report carefully, and to share it with others who may be interested in joining, partnering with, or donating to Rotary.

Thank you for helping Rotary achieve lasting change in your community and around the world.

Sincerely,

John Hewko

## DG's MONTHLY INDABA

District Governor Mike Ochse produces a monthly Indaba magazine. This will bring us all up to speed on what the District Clubs are up to and is clearly something we should be contributing to. It is too large to embed in BB but have a look at the email attachment coming with this issue.

Club members will be aware of the effort that Keith and Alison Bull put in to the community and our Club during the yearly periods of "swallowship" here. They have a vibrant and growing club in Totnes, Devon whose activities are worth watching.

## HAVE YOU READ YOUR ROTARY AFRICA MAGAZINE THIS MONTH?

The February edition of Rotary Africa contains a wonderful article about Ikaya la Themba in Imizamu Yethu intitled "Home of Hope".

The article explains the involvement of Nicky Lloyd, Coolamon Rotary, our own Club and the work of Operation Medical Hope

Two American tourists were driving through Wales.  
At **Llanfairpwllgwyngyllgogerychwyrndrobwylllantysiliogogogh**, they  
Stopped for lunch and one tourist asked the waitress  
"Before we order, could you please settle an argument for us? Would you  
please pronounce where we are... very slowly?"  
The girl leaned over and said, "Burr-gurrr-Kiing
