**BAY BREEZES - 31 JULY 2012**

## The President's Corner

Only one thing  
makes a dream impossible:  
the fear of failure

Paulo Coelho

Many thanks to our Natalie for a wonderful presentation which graphically and physically showed us another way to approach our life situations. When I say physically, those present will recall my arm wrestling bout with Natalie wherein I failed in the face of her open handed and calm response. Quite amazing.

I chaired my first Board Meeting as President which all went off well. We now have some projects being looked into including a possible local soccer league sponsorship but if any member has any ideas please come forward. We have Keith Bull's Totnes Rotary willing and able to help with project funding.

We are also looking at starting an Earlyact club with specific focus on literacy skills with Hans, Fedde and Suzie putting their heads and skills together on that.

It is all very early on in my year as President and I have to thank the Board and indeed the membership for your support. See you all this Tuesday.

Life  
is not measured  
by the breaths we take  
but by the moments  
that take our  
breath  
away.

## Our 67 Minutes for Madiba

I dialed a number and got the following recording:  
 "I am not available right now, but  
 Thank you for caring enough to call.  
 I am making some changes in my life.  
 Please leave a message after the  
 Beep.. If I do not return your call,  
 You are one of the changes."

~~~~~  
 Aspire to inspire before you expire.  
 ~~~~~  
 ( I LOVE THIS ONE! )

My wife and I had words,  
 But I didn't get to use mine.

~~~~~  
 Frustration is trying to find your glasses without your glasses. (amen to THIS one!!)

~~~~~  
 The irony of life is that, by the time you're old enough to know your way around, you're not going anywhere.

~~~~~  
 God made man before woman so as to give him time to think of an answer for her first question.

~~~~~  
 I was always taught to respect my elders, But it keeps getting harder to find one. (yep...understand this one too!)

~~~~~  
 Man comes home, finds his wife with his best friend in bed.  
 He shoots his friend and kills him.  
 Wife says "If you behave like this, you will lose ALL your friends!"

What's the difference between stress, tension and panic?  
 Stress is when wife is pregnant,  
 Tension is when girlfriend is pregnant, and Panic is when both are pregnant.

\*\*\*\*\*

A woman asks a man who is traveling with six children,"Are all these kids yours?"

The man replies,"No, I work in a condom factory and these are customer complaints".

\*\*\*\*\*

A young boy asks his Dad,"What is the difference between confident and confidential?"

Dad says, "You are my son, I'm confident about that. Your friend over there, is also my son, that's confidential."

Nominated as the best short joke this year..
