From our President

23 August 2014

Last Tuesday we inducted our new member, John Payne, who will no doubt add greatly to the Club having been in Rotary at Ballina and who comes with a great business record.

My apology goes out to those members that attended last Tuesday's dinner for I didn't realise that Clive had not been decommissioned as a Banker. Just think if he had been a Highway Patrol Officer. Maybe Murray and Cliff will be able to continue the decommissioning in Ireland. Great effort Clive, it was the best fine session in a long time.

Roz and Brian gave us an insight into their efforts regarding new members.

This Tuesday we have as guest speaker Brian Mullany giving us the goods on some of our great local wines and maybe where he thinks the wine industry is heading.

I have just finished reading the minutes of your Club's Board Meeting of 7/8/14 and am able to recognise the great effort they put into running Young Rotary. They do it with passion and dedication to the Rotary Ideals. My thanks also goes to Hank for his effort in doing such a great job with the weekly bulletin which in turn is a great help to myself.

Robert.
