From our President

26 July 2014

With reference to our dinner meeting last Tuesday our guest speaker Nathan McEvoy gave a great insight to Southern Health's progress in Mental Health.

Many questions were put forward. Southern Health is looking forward to Community involvement and input on mental health.

Di informed us about the progress in arranging for students from Young going to The School of St Jude during the latter part of the year.

Frank kept us informed where he is up to with the driving simulator for the PCYC.

My thanks go to Roz, Sue and Murray for manning the BBQ for the Young District Arts Council.

Our meeting on the 5/8/2014 is to be a Partners and Friends of Rotary Meeting. Our guest speakers will be Kevin and Max Goodman who will be speaking on their cycling achievements and exploits. Kevin (Lefty) was successful in qualifying for the Masters Bike race in Italy in 2013. This year he will be competing in the Masters Event in Slovenia. I encourage all members to get behind this night and ask along others as it will be a greatly entertaining reflection on their cycling achievements.

Please inform Sue early re numbers for catering purposes.

A prize will be given to the member who brings along the most Friends of Rotary.

Robert.

What an achievement

The Science and Engineering team from Henri Lawson High School did it again.

Students from the Henry Lawson High School qualified for the State final of the Science and Engineering Challenge for the 5th year in a row. After finishing first at the regional Challenge held earlier this year in Young (in which 7 high schools competed and which was organised by our Club and many other volunteers), they had to wait for the results of other regional Challenges to see whether their score was good enough to qualify for the State final – and it was! The State final will be held in late August at Newcastle University.

Of course I'm fine.

Farmer Joe was in his car when he was hit by a truck. He decided his injuries from the accident were serious enough to take the trucking company (responsible for the accident) to court. In court the trucking company's fancy lawyer was questioning farmer Joe. "Didn't you say, at the scene of the accident, 'I'm fine'?" said the lawyer.

Farmer Joe responded, "Well I'll tell you what happened. I had just loaded my favourite mule Bessie into the...." "I didn't ask for any details," the lawyer interrupted, "just answer the question."

"Did you not say, at the scene of the accident, 'I'm fine'!"

Farmer Joe said, "Well I had just got Bessie into the trailer and I was driving down the road...."

The lawyer interrupted again and said, "Judge, I am trying to establish the fact that, at the scene of the accident, this man told the Highway Patrolman on the scene that he was just fine. Now several weeks after the accident he is trying to sue my client. I believe he is a fraud. Please tell him to simply answer the question."

By this time the Judge was fairly interested in Farmer Joe's answer and said to the lawyer, "I'd like to hear what he has to say about his favourite mule Bessie."

Joe thanked the Judge and proceeded, "Well as I was saying, I had just loaded Bessie, my favourite mule, into the trailer and was driving her down the highway when this huge semi-truck and trailer ran the stop sign and smacked my truck right in the side. I was thrown into one ditch and Bessie was thrown into the other.

I was hurting real bad and didn't want to move. However, I could hear old Bessie moaning and groaning. I knew she was in terrible shape just by her groans. Shortly after the accident a Highway Patrolman came on the scene. He could hear Bessie moaning and groaning so he went over to her. After he looked at her, he took out his gun and shot her between the eyes.

Then the Patrolman came across the road with his gun in his hand and looked at me. He said, "Your mule was in such bad shape I had to shoot her. How are you feeling?"

The Four Way Test

Of the things we think, say or do ...

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
