Does anybody know why the 14-15 presidential Theme "Light up Rotary", has the "old" RI logo ? or it's ok to use both?

Maybe the incoming RIP doesn't like the new one either!

I suspect the theme had been designed before the release on 26 August 2013 of the new brand proposal. If this was the case it is yet another reason why the timing of the adoption was questionable. If it was not the case then, ...? I also recall at the RI Institute at Lower Horwood. UK in November 2013, John Hewko indicated that the final decision on the brand was not closed.

RI President-elect Gary C.K. Huang chose *Light Up Rotary* as his theme for 2014-15. Huang was inspired by the teachings of Chinese philosopher Confucius who said: "It is better to light a single candle, than to sit and curse the darkness."

RI President-elect Gary C.K. Huang chose *Light Up Rotary* as his theme for 2014-15. Huang is urging club members to *Light Up Rotary* by hosting a Rotary Day in their community, continuing our fight against polio, and increasing club membership. "*Light Up Rotary* is more than our theme. It is how we make a difference -- every day, in every club, and every country we serve."
