Guest Speaker

Gail Commens: Gail Spoke in detail about her visit to Morocco, including how the study of a Country (as the CWA State International Officer) led to an invitation to the 'World Congress of Rural Women' as the Australian Delegate from the CWA.

Gail's account for how she was invited by the Moroccan Consulate to apply for sponsorship to the congress and the process of and her subsequent travel arrangements were a most entertaining account. Then there was the trip itself...

Gail flew via Dubai to Casablanca and to then by bus to the Capital Rabat & rooms at the Sofitel. Every part of the trip an adventure...

The conference included trips to the Markets & the walled City. At the conference 62 countries were represented and were predominantly non-western countries & many with Muslim religious backgrounds. There was a strong cultural exchange with a final agreement on 10 wishes for change.

Sergeant's Session. - *Des was in the House... & relieved members & guests of \$30.60*

Discussion Corner...comments from the internet ...Rotary International LinkedIn Group...

How to reconcile differences of opinion, from "old Rotarian" to "new Rotarian"?

I'll be the next President in my Rotary Club I have a big challenge because today we are only six members and only I have 33 years old, the others are over the 60, how can I improve my Club with so different point of view, how can I do to bring young to take part of the club and make them to stay?

Mariana Lopez Pinto – Brazil

Some Comments:

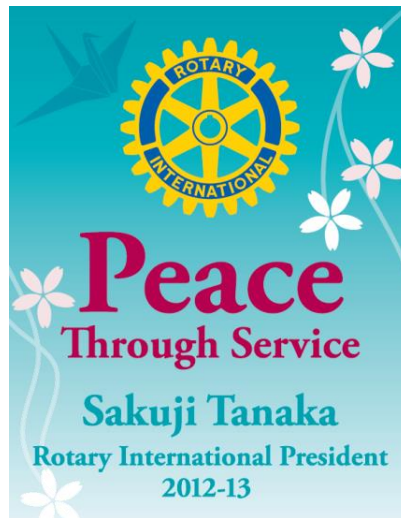

[Nicole Virant](#) • It's difficult to make everyone happy and the truth is it doesn't always work out. Decisions need to be made in the best interest of the club and the Rotarian principles. As long as you make sure every voice is heard and you lead by example that should get your club very far!

[Ray Sanford](#) • Follow your own vision and attract members your own age who will support what you want the club to become.
