What is your club doing to bridge generation gaps between members?

Partial Replies:

- Just a few weeks ago we had a Club Assembly which began with committee meetings for each avenue of service. Every member is assigned to an Avenue of Service committee. We combined Vocational Service and New Generations because vocational promotes career mentoring and is the contact with the Interact Club.
- We have mostly “senior” club members. The seniors try to behave like juniors -i.e. no ties, no jackets, evening meetings with earlier start and earlier finish. We encourage younger members to take office, try to offer mentoring to the younger members without forcing it on them . We include at least one younger member at information meetings and as far as possible at meetings where prospective members are being introduced.
