General Business:

A list of projects were handed out by Doug Bell from consultation with the Junee Shire Outgoing Manager Greg Campbell and Director of Engineering Services and the possible potential projects were discussed.

- 1) Replacement of slats in public seating. Rejected
- 2) Barbeque at Park Dam. Stuart Robilliard & John Higginson will follow up on costing of services available, costing of the barbeque to complete and then the club will look at where to place it.
- 3) Toilets in the Railway Precinct. Rejected
- 4) Band Stand or Performing Platform.

This has been raised before many times and although not an immediate project will remain on our to do list.

5) Rotary Park, Percy Street.

A separate was held with Gary Hobson who is in charge of Parks and Gardens for the Council.

Replanting of missing trees or make improvements to the park, the picnic seat requires repair, basket ball needs repairing and weeds around the bus shelter need removing.

The watering system that is there now being about 25 years old would need to be carried out again hopefully help with water pressure.

The fact that the whole area is covered in skeleton weed and bindi eyes was brought up and much debate on this subject.

Resolved the Peter Commens and Chris Paton do an inspection, find out what could be done and report back to the club.

To be fully discussed again at the next Assembly meeting.

High School Agriculture plot.

Where are we now?

President Peter said he would make some enquiries and report back.

RYLA Nominations:

The annual Rotary Youth Leadership Awards is to be held in Wagga from 8<sup>th</sup> to 13<sup>th</sup> April 2013.
