GREAT REASONS TO JOIN ROTARY - with thanks to Richard D. King, Rotary International President 2001-02 ,,,Use them for new & prospective members...

Friendship: In an increasingly complex world, Rotary provides one of the most basic human needs: the need for friendship and fellowship. It is one of two reasons why Rotary began in 1905.

Business Development: The second original reason for Rotary's beginning is business development. Everyone needs to network. Rotary consists of a cross section of every business community. Its members come from all walks of life. Rotarians help each other and collectively help others.

Personal Growth and Development: Membership in Rotary continues one's growth and education in human relations and personal development.

Leadership Development: Rotary is an organization of leaders and successful people. Serving in Rotary positions is like a college education. Leadership: - learning how to motivate, influence, and lead leaders.

Citizenship in the Community: Membership in a Rotary club makes one a better community citizen. The average Rotary club consists of the most active citizens of any community.

The Opportunity to Serve: Rotary is a service club. Its business is mankind. Its product is service. Rotarians provide community service to both local and international communities.

This is perhaps the best reason for becoming a Rotarian: the chance to do something for somebody else and to sense the self-fulfilment that comes in the process and return of that satisfaction to one's own life. It is richly rewarding.

Citizenship in the World: Every Rotarian wears a pin that says "Rotary International." There are few places on the globe that do not have a Rotary club. Every Rotarian is welcome – even encouraged – to attend any of the 33,000 clubs in 210 nations and geographical regions. This means instant friends in both one's own community and in the world community.

Fun: Rotary is fun, a lot of fun. Each meeting is fun. The club projects are fun. Social activities are fun. The service is fun.

Family Programs: Rotary provides one of the world's largest youth exchange programs; high school and college clubs for future Rotarians; opportunities for spouse involvement; and a host of activities designed to help family members in growth and the development of family values.

Richard D. King, Rotary International President 2001-02,

Is there any reason a Club should not use online banking? Some of our members say this goes against Rotary principles.

4 days ago

Comments:

The use of online banking as described seems like a blinding flash of the obvious!!

David J. District Governor Bryan/College Station, Texas Area

Our Club is currently moving to online banking. The requirement for good governance processes are protected in that there needs to be two distinct officers accredited at the bank to initiate and then authorise any transaction. As a business-led community organisation I personally think that we should be embracing those changes that we apply in our own business practices. For most businesses in our area, this includes on-line processes. Such moves are always a good way to initiate discussion at the Board and Club levels and should be viewed positively, whether or not the ultimate decision is to change past practices or not.

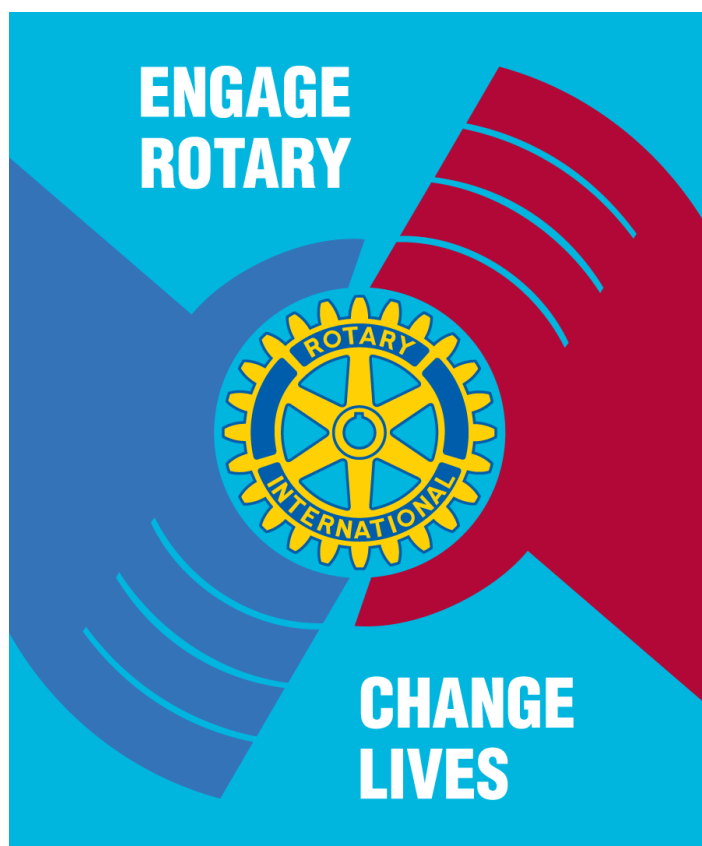

Maria C. (Experienced Grants Writer, Community Educator -Bundaberg Area, Australia)
