Making Rotary connections through Cruise travel around the world

[Dianne Clarke-Kudless](#) Project Management and Organizational Performance

Does anyone have any experience with specific cruise lines that help Rotarians connect with each other while they are travelling? On the other hand, have any Rotarians found a way to make good use of their travel time in a variety of cities to connect with local Rotarians?

On the way back from Southampton aboard the Queen Mary II, when the RI convention was in Birmingham, England, past RI President Frank Devlin arranged for a daily make up meeting (with coffee and cake) that was very well attended. We all took turns telling about our clubs and projects and, at the last meeting, the ship gave us very nice make-up certificates with the Rotary and Cunard logos.

I have been on other ships where they advertise "service club meetings" in a particular area. I've gone to each one and there has only been three attendees -- me, myself and I!
