### **General Business**

The Club conducted a barbeque at Bunnings Warehouse in Wagga Wagga today. Graeme Guelphi took in all the required food, ice etc. and set up with the help of Gail Commens. Other people who assisted during the day were Carolyn Bell, Ian Good, Stuart Robilliard, Terry Kennedy, Peter Commens and Doug Bell.

Roger Hoare, a Friend of our Club also came and assisted.

The profit from the activity was approximately \$523. A good result from a mid-week activity.

### **Guest Speaker**

Bethany Lieschke from Koorinal High School in Wagga Wagga came to speak to us about her attendance at the National Youth Science Forum in January this year. The Forum that Bethany attended was held at the Australian National University in Canberra and it lasted for 12 days.

The organizers of the Forum say that their goal "is to connect young Australians – future scientists and engineers – with their dreams. We achieve this by offering a multi-stage program to students entering their final year of high school".

*Be a Vibrant Club: Your Club Leadership Plan* is a collection of best practices intended to strengthen clubs — the first priority of the RI Strategic Plan.

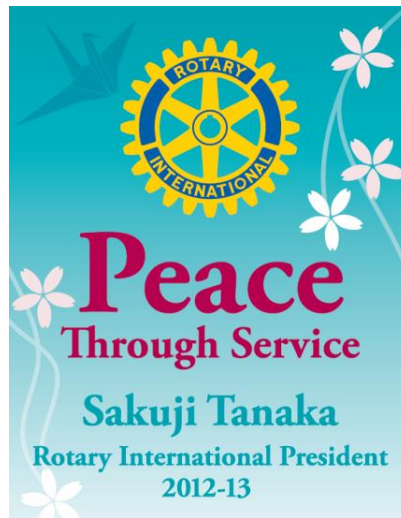

**Rotarians** can make their club more vibrant and engaging by developing a club leadership plan that includes the best practices of effective Rotary clubs. For your [club leadership plan](#), consider adapting these best practices in ways that work for your club:

- Developing long-range goals or a strategic plan that addresses the elements of an effective club
- Convening regular club assemblies
- Maintaining open lines of communication
- Involving all club members
- Ensuring continuity in leadership
- Amending bylaws to reflect current club practices
- Providing opportunities for networking and socializing
- Offering regular, consistent training
- Assigning committees that support your club's needs
