President Ian Durham
Rotary Club of Coolamon
Rotary District 9700 – Australia

Dear President Ian,

Please accept these warm Rotary greetings from Rotary District 6060 located along the Mississippi River in the eastern third of Missouri.

On behalf of my club members in the Rotary Club of Overland and the 2,500 Rotarians in District 6060, we congratulate your club as it celebrates 40 years of service to the local area around Coolamon and all over the world.

Also, please accept our sympathies for the tribulations your club endures as you manage with your Rotary member John Glassford. My wife and I have had the delight of having John stay in our home and we both look forward to the day when we can travel to New South Wales and spend some time sleeping among the bales of straw.

More seriously, my deepest thanks to your club for supporting John. It is a wonderful gift for a Rotary Club to have a bloke or sheila who thinks "outside the box." Soon you discover that your club has accomplished something truly miraculous and perhaps continues to do so year after year.
