## **ROTARY FACT**

This week's Rotary Fact was supplied by Nick. Nick showed the club a Rotary book he had recently acquired from an antique auction. The Book Adventure is Service was presented to a Rotarian as a token of their admission to membership and this copy was presented in 1954. The book highlights the object of Rotary, Important features, outlines how rotary began and describes the Ideal of Service of a Rotary member. The group took note that the book only referred to the member as a male and with mostly females in attendance brought a few laughs at how Rotary has progressed to where it is today.
