A Climb for the Orphans of Africa

Due to the unprecedented success of the Mount Kilimanjaro project in 2007, Rotarian and RFFA Board member, John Glassford (Coolamon Rotary Club, District 9700), will lead a team of adventurers to the 'Mountains of the Moon' on December 1, 2011.

John Glassford was born and raised in Kenya and was instrumental in the success of the Mount Kilimanjaro Project – he is equally ready to lead one of the teams to climb to the 'Mountains of the Moon'; another team will be made up of supporters and will visit the gorillas in the Bwindi impenetrable forest and the lions in Queen Elizabeth Game Park!
