### CLASS TEACHER'S COMMENTS

Your mean grade is much below what is expected. If you put forth the effort that is needed you can improve a lot. Please seek the assistance of your subject teachers and make an effort of scheduling an appointment with guidance and counseling teacher about your academics and method of studying. Try to improve in the following subjects: Biology, History and Business Studies

### PRINCIPAL/DEPUTY PRINCIPALS COMMENTS

Average, there is room for improvement, put more effort, aim higher and work hard for quality grades in all your subjects.
