

NEWS FROM NORTHERN NEWS SOUTH WALES

The Sunflowers for Ukraine project initiated by the Rotary Club of Coolamon is an outstanding international project. The Rotary Club of Iluka Woombah have chosen to participate in this project and found our community very willing to donate to this very worthy cause. We launched our project at our monthly markets in Iluka on Sunday 5 June and the community supported the project enthusiastically.

The residents of Ukraine have been displaced by this war and have had to secure refuge in many of the countries that surround Ukraine. Poland is one of the main countries for Ukrainians to escape to, with more than 3 million refugees seeking refuge in Poland.

The Rotary Club of Iluka Woombah is extremely proud to be part of the Coolamon Rotary Club's project and we intend to continue fundraising at our next monthly markets and will approach our business community to help sell the sunflower seeds, with a target of \$1000 to be raised.

Sofiya is a little Ukrainian from Bucha. The girl lost her mother, her arm, and also her cat.

Now she is in safe Rome, but she shudders at every sound and is afraid of planes. 910 kids have been affected by the Russian military since 24 Feb according to the official data only.

Please do not hesitate to contact me for further information on how you can become involved.
